Although regular club meetings and activities, including the next Golden Lion changeover scheduled for 3rd February, are suspended for the foreseeable future, we can hope that spring, warmer weather (and the vaccine!) will eventually allow us to move forward to a more normal situation as the year progresses.

With that in mind, here's a couple of distant dates for your diary:

Annual Exhibition, Hartlepool Art Gallery: 20th November 2021 – 15th January 2022

We have been promised that our regular exhibition will be back in its usual slot this year. New management arrangements at the gallery might lead to some changes, but let's get the above dates pencilled in and await confirmation.

Coastal Cornucopia, The Station, Richmond: 9th June – 6th July 2022

We have a lovely opportunity for a summer exhibition next year at The Station. Following the cancellation of this year's dates, we have been able to transfer our deposit and have made a firm booking for 2022.

Meanwhile, keep painting and keep safe!
