Dear Member

This is just to let you know there is no Art Club newsletter this month – because there is very little news. Hopefully very soon we will be able to put a programme together for our return to some normality. At a guess (but don't hold me to it) we should be able to recommence indoor meetings in July (might manage something outdoors before that) and return to our regular Golden Lion changeovers the same month. The Council has told me that the Gallery can't reopen for business until 17<sup>th</sup> May. Removal of restrictions on numbers won't happen until 21<sup>st</sup> June.

One small piece of good news – we are getting an extra week for our Annual Exhibition this year. The Council has offered (and confirmed) the dates as Saturday 13<sup>th</sup> November 2021 to Saturday 15<sup>th</sup> January 2022.

That's it for now.

Best wishes
